Information sheet

Parking: A car-parking pass is provided for one car at the Batson Creek Car Park (Gould Road). During the winter Gould Road car park is closed for boat storage so the pass can be used at the Shadycombe Car Park. You can also use it at other car parks in the South Hams (list provided with pass). Please return the pass to Coast and Country when you leave. On-street parking can often be found at the top of Allenhayes Road and surrounding roads, especially around 5.30/6pm.

Fuse boxes: The fuse box is in the slim cupboard to the left of the kitchen door (ironing board also in here). **Water shutoff** is in the bottom cupboard, dining area side, closest to the toaster.

Spare Key: An extra front door key can be obtained from Coast and Country if you need one. Please return this with the other keys at the end of your stay.

Breakages and spills: We'd be grateful if you could tell Coast & Country Cottages or leave a note of any breakages, bad spillages or anything that isn't working, such as equipment, light bulbs etc, so we can have them replaced or fixed before the next visitors. Spare light bulbs are in a red box in the under stairs cupboard.

Rubbish: Rubbish collection day is Friday. During the summer there may be an additional collection mid week. White bin liners are supplied for the bins. When full, these should be secured and placed in the BLACK or GREY refuse sacks supplied. Please place 2 or 3 white bin liners in each black or grey refuse sack. These must be tied and put in the black gull proof sack in the meter cupboard under the steps (adjacent to the bay window). Please do not leave any sacks out in the open, as they are liable to be attacked by gulls! All rubbish MUST be in refuse sacks. Separate rubbish instructions are in the kitchen.

Press APPS for additional services (Netflix, BBC iPlayer etc.) The back sitting-room also has BT Sport and is all operated by the BT controller. This gives access to all the ordinary channels and additional services/apps etc.

A parasol is located in the hall cupboard. Please do not leave this out in the garden overnight or if there is any chance of rain. In dry weather it would be greatly appreciated if you could water the flowerpots.

Baby Items: A travel cot and highchair are available and both are stored in the walk-in wardrobe in the rear bedroom. It would be much appreciated if you could clean these thoroughly and leave them in the same state you would be happy for your baby to use, and put them back in the wardrobe at the end of your stay. There are also plastic plates, cups and utensils available in the kitchen.
