

## Welcome to Leylands!

We hope you have a fantastic holiday here in Salcombe, and that you have an extremely enjoyable stay in Leylands and find everything you need.

If you have stayed with us before – it's great to have you back. If it's your first time here we're very pleased you have found us! Previous visitors will notice that we have changed the décor in the double bedroom and have a new garden fence. We are constantly trying to improve Leylands and we would really welcome your comments and suggestions in the visitors' book and our Facebook page. You can find lots of information on our website [www.leylands.salcombe.co.uk](http://www.leylands.salcombe.co.uk) and on our Facebook page @leylands.salcombe

This file has an information sheet on the most important items we can think of, particularly refuse disposal and the Wi-fi Code! We also have leaflets about things to do locally in the file in the front sitting-room, and appliance instructions for the kitchen and household in two files in the small kitchen drawers. If you have any problems at all, please phone Coast and Country (01548 843773).

If you are here for more than 1 week you are entitled to a change of linen on Friday, but please let Coast and Country know if you would prefer not to be disturbed. Also, Ellie, who looks after the garden, will pop in each Friday, provided it's dry, to keep it ship-shape. She will let herself in via the garden gate (nb – for her use only) so should not disturb you. If it's really dry, we would really appreciate if you could water the pots.

The garden is for your use only – however our neighbour at B flat has a door to the garden for emergency access use only. Please be considerate of all our neighbours.

Have a wonderful holiday. We hope you love Leylands and the South Hams as much as we do and we look forward to welcoming you back.

The Williams family.
